SEEPEETZA

Seepeetza said "Once when I was walking by the barn I heard Dad crying and saying sorry to God when he didn't know anyone was around." Like Frank, Marie's brother, Seepeetza's Uncle Tommy, who is also a veteran and also a drinker, has bad feelings towards Catholic priests. In this case, Seepeetza knows the cause of Tommy's hostility: "Uncle hates priests since the time one of them tried to do something wicked to him."

The KinderSingers

For ages 4-6, and run out of Wild Rose Elementary on Mondays from 5-5:45. We are still accepting registrations.

The KinderSingers program is designed to get young children excited about choral music. Using educationally-based singing games, folk songs, and team-building activities our youngest singers develop a basic understanding of their musical and vocal abilities and how to use these skills in a choral context.

The Ministry of Container Recycling is changing hands.

With thanks to Bob Poirier for his trips to the bottle depot in the past, the Rundles Mission Family Camp organizers will be taking this over to help offset the costs of the May long weekend and keep it affordable to all who wish to join in.

The bottle bin is in the coat room. Share your containers with us and we will ensure that they are recycled appropriately.

Thanks in advance!
